21st & 22nd August

Open Weekend - Art in the Garden

Antrim Art Club will have an exhibition of their work, and will also be painting throughout the weekend. Greenmount Association Floristry Club will demonstrate floral design ideas for summer garden parties.

The N.I. Koi Society will also be holding their annual show.

Greenmount Campus - Growing the professional gardeners, growers, greenkeepers and florists of the future.

Greenmount offers an extensive range of full and part-time horticulture courses for school leavers, mature students and those already working in the industry. The extensive and inspiring college grounds underpin these courses and are well worth a visit. Take time out this summer to visit us.

How to find us

Greenmount Campus is situated outside Antrim. By car - from Antrim town centre follow the signs for Airport A6. At the mini roundabout, take the second exit and after 1.5 miles turn left into Tirgracey Road. Continue 0.75 miles along this road and the entrance to Greenmount Campus is situated on the left.
