Student Support Services at CAFRE

We're Your Support Service

Dear Student, welcome to CAFRE.

We know that living away from home and learning in a college environment can be difficult and we have a dedicated Student Support Officer for the College, Kate Semple, to help you settle in. We offer support in all aspects of your personal and academic life.

Kate is responsible for:

- Promoting student health and well-being
- Assisting students with additional learning needs or disabilities
- Providing careers education and guidance

Promoting student health and well-being

- We are available to meet with students on designated days every week at each campus
- We provide access to a free 24/7 independent confidential counselling service via CARECALL - Tel: 0800 389 5362
- We offer you a smoke-free environment
- We offer you a range of healthy food choices
- We encourage you to take part in a range of physical activities
- We organise Student Health and Information Fairs where you can find out how to keep you and your friends healthy and safe at College
- We work with the Student Representative Councils to promote relationships with the local community and other CAFRE campuses
- We maintain a Student Support & Guidance section on the CAFRE Student Information Web at www.online2.cafre.ac.uk
- We implement and monitor policies on: Drugs and Alcohol; Health and Safety; Sexual Orientation Discrimination; Internet and Email Usage; Anti-bullying; Equality and Diversity; Bio-security and Discipline

Assisting students with additional learning needs or disabilities

We aim to make our courses enjoyable and accessible to all who meet the course entry requirements.

To ensure that we put in place appropriate support, we encourage you to tell us about any disability or medical condition which may impact on your studies, for example:

- disability
- dyslexia
- dyspraxia
- health problems
- hearing impairment
- sight impairment
- other conditions which may effect your academic studies

Providing careers education and guidance

We help you plan your career and move successfully into employment or further study by providing a careers education and guidance service through your course tutors. Support is offered in:

- career planning
- CV production
- interview skills
- job applications
- UCAS applications
- work placements
