

## College of Agriculture Food and Rural Enterprise (CAFRE)

### ACCOMMODATION CHARGES AND PAYMENTS 2018/19

The College of Agriculture, Food & Rural Enterprise has 350 student bedrooms across three campus sites, with a range of accommodation as follows;

#### Halls of Residence (for students under 18 years of age)

- Standard single rooms
- En suite single rooms
- Twin rooms

#### Self catered houses (for students over 18 years of age)

- Bungalow accommodation
- Student Village (Greenmount only)

If you are considering residing in campus accommodation you must complete an application form on-line. Application will not open until the 01<sup>st</sup> June 2018. Refer to the accommodation section of the CAFRE website ([www.cafre.ac.uk](http://www.cafre.ac.uk)) for further details. **An offer of a place on a course does not mean you have an offer of a room in accommodation. You must submit an application and you will receive a booking reference number.**

**All rooms in the Halls of Residence are offered on a catered package basis only.** Accommodation is frequently oversubscribed and on such occasions room allocation will be based on the CAFRE Accommodation Allocation Policy, which can be viewed on the CAFRE website ([www.cafre.ac.uk](http://www.cafre.ac.uk)).

**CAFRE Accommodation Charges for 2018/19 are as follows;**

Room Type	Per Semester (15 weeks)	Catering Type
Twin Room in Halls	£645.00	Catered
Standard Single in Halls	£735.00	Catered
En-Suite Single in Halls	£780.00	Catered
Bungalow Accommodation	£870.00	Self Catered

Student Village (Greenmount Only)	£960.00	Self Catered
--------------------------------------	---------	--------------

All charges for accommodation (room only) are invoiced by DAERA in late September and are payable within 30 days of receiving the invoice. The accommodation invoice will have an additional charge of £100 for a Damages Deposit, which is refundable at the end of the year as per the Student Licence Agreement Terms.

For those students staying in catered accommodation there is an additional payment for a catering package. This money will be prepaid onto a 'cater card' on a monthly basis for use by the student in the college restaurants. The first payment must be paid on the day of registration. Subsequent payments must be paid by Monthly Direct Debit or On-line, at the beginning of each month. The first Direct Debit / On-line payment will commence in October 2018 and the final Direct Debit / On-line payment will be made in April 2019.

**Catered Package Costs for 2018/19 are as follows;**

<b>Campus</b>	<b>Payment at Registration</b>	<b>No. of Monthly Instalments</b>	<b>Monthly Instalment Amount</b>	<b>Total Amount Payable</b>
Loughry Campus	£70	7	£80	£630
Enniskillen Campus	£120	7	£120	£960
Greenmount Campus	£120	7	£120	£960

The catering package equates to £21 per week for students residing at Loughry and £32 per week for students residing at Greenmount or Enniskillen Campuses on full-time courses. Students whose accommodation requirements end early in Semester 2 e.g. due to work placement will have the latter instalments adjusted to reflect this.

The catering package amount will cover approximately 70% of the cost of a student's meals while residing on campus five nights per week. However the cost of meals deducted from their cater card will be determined by what's purchased. When the credit on the cater card is used up, students will have to pay cash at the tills for items they may wish to purchase.

**ALL ROOMS IN THE HALLS OF RESIDENCE ARE OFFERED ON A CATERED PACKAGE BASIS ONLY. FAILURE TO PAY THE CATERING PACKAGE INSTALLMENTS WILL RESULT IN THE OFFER OF ACCOMMODATION BEING WITHDRAWN**
