

CAFRE ACCOMMODATION

PARENTAL CONSENT FOR UNDER 18'S TO LEAVE CAMPUS AND NOT RETURN UNTIL AFTER 11.00 PM

CAFRE is an adult environment and all students will generally be treated as adults where the law permits. Any student living in campus accommodation who is under the age of 18 years old is defined as a 'Minor' by law. Whilst all residential students have relative freedom to come and go as they please up to 11.00 PM, minors must inform the campus Residential Support Team (RST) or their academic staff when they are leaving the campus and they must 'sign out'. They must "sign in" on their return to campus. When a student leaves the campus, the college is not responsible for where they go or what they do when off campus.

All minors are presumed to be on campus unless they have signed out. This is important for child protection and also in the event of an emergency evacuation of the campus or campus buildings.

Minors are not permitted to be off campus after 11.00 PM unless they have parental consent to do so **and they received a 'late pass' from the RST.**

Giving Parental Consent for a Late Pass

There are **THREE** options available to you to give Parental Consent for your son / daughter / ward, who is under 18 years of age, to be off campus after 11.00PM. Please select from either **a, b** or **c.** below.

- a.** I give parental consent for my son/daughter/ward to be off campus after 11.00 PM and receive a late pass to a defined time at the discretion of the RST staff.
- b.** I give parental consent for my son/daughter/ward to be off campus after 11.00 PM and receive a late pass to a defined time at the discretion of the RST staff. I wish to be informed via e-mail or text message on each occasion when my son/daughter/ward is granted a late pass.
- c.** Parental consent is not given for my son/daughter/ward to be off the campus after 11.00 PM unless approved by me in advance.

If Parental Consent is given and a young person who is under the age of 18 years old is off campus after midnight they must sign back in on their return, but there may not be a member of staff on duty to check on their wellbeing until the Accommodation Manager comes on duty at 09.00AM the following morning.
