

CAFRE Accommodation Parent / Guardian Consent

Parental/Guardian consent for under 18 year old students to leave campus and not return until after 11.00 pm

1. CAFRE is an adult environment and all students will be treated as adults where the law permits. Any student living in campus accommodation and is under the age of 18 years old is defined as a 'minor' by law.
2. All residential students have relative freedom to come and go as they please up to 11.00pm, but minors (under 18s) must inform the campus Residential Support Team (RST) or the academic staff when they are leaving the campus and they **must 'sign out'**. They **must "sign in"** on their return to campus.
3. When a student leaves the campus, the college is not responsible for where they go or what they do when off campus.
4. All minors are presumed to be on campus unless they have signed out. This is important for child protection and also in the event of an emergency evacuation of the campus or campus buildings.
5. Minors are not permitted to be off campus after 11.00pm unless they have Parental / Guardian Consent to do so and that they have received a **'late pass'** from the Residential Support Team (RST).

Giving Parental/Guardian Consent for a Late Pass-

There are **THREE** options available to you to give Parental / Guardian Consent for your son / daughter / ward, aged under 18 years of age, to be off campus after 11.00pm.

Please select from either a, b or c. below-

- a. I give Parental /Guardian Consent for my son/daughter/ward to be off campus after 11.00pm and receive a late pass to a defined time at the discretion of RST staff.
- b. I give Parental /Guardian Consent for my son/daughter/ward to be off campus after 11.00 pm and receive a late pass to a defined time at the discretion of the RST staff. I wish to be informed via e-mail or text message on each occasion when my son/daughter/ward is granted a late pass.
- c. Parental /Guardian Consent is not given for my son/daughter/ward to be off campus after 11.00 pm unless approved by me in advance.

If Parental/ Guardian Consent is given and a young person under the age of 18 years old is off campus after midnight they **must "sign in"** on their return.

Please note -There may not be a member of staff on duty to check on their wellbeing until the Students Services Manager comes on duty at 9.00am the following morning.
