1. Introduction

This booklet applies to students commencing or currently in part-time Further Education at the College of Agriculture, Food and Rural Enterprise (CAFRE). CAFRE is an integral part of the Department of Agriculture, Environment and Rural Affairs (DAERA).

In this booklet you will find information on the financial help that DAERA has put in place for part-time further education students for the academic year 2021/22. It applies to students participating in eligible courses between 1 September 2021 and 31 August 2022 (Qualifying courses are listed in Annex A).

Applications for financial support in the 2021/22 academic year for students at CAFRE will be administered by the Education Authority, Further Education Grants Section.

This booklet is for guidance only and does not cover all circumstances.

For further information please contact:

Education Authority
Further Education Grants Section

Telephone: 028 8225 4546
Email: fegrants@eani.org.uk

Application forms are also available from:

www.eani.org.uk/feapplication

Do NOT email your application form, personal data, ID or evidence of financial details.

Note!

Only FULLY COMPLETED applications will be accepted.

Verification of date of birth and household income must accompany the application. Original documents only (not photocopies).

If you are posting your application you should obtain a receipt of postage as proof.

2. What financial help is available for part-time students

2.1 Course Grant

A means tested grant is available to help with the costs associated with part-time study at CAFRE including travel and equipment. The grant is available to students living in Northern Ireland. It applies to students who intend to commence an eligible part-time further education course at CAFRE.

Who is eligible?

Students of any age, on an eligible part-time further education course at CAFRE. You can get further information on the eligibility criteria in Section 6 of this booklet or by contacting the Education Authority (contact details on page 2 of this booklet).

If you are not ordinarily resident in Northern Ireland, but you have moved to Northern Ireland to attend a CAFRE course, you may not be eligible for a part-time further education grant.

How much?

The amount of part-time grant available is:

Household income	Grant
• Up to £27,330	£400
• £27,331 - £32,000	£200
• £32,001 and over	Nil

The part-time grant is based on an assessment of your income. The Education Authority will carry out this assessment (see Section 6 on page 9 'How you are assessed and paid'). Your household income includes your income and your spouse/partner's (if applicable) income.

How is the Grant paid?

You will receive the grant in a one off payment. This will be paid by BACS transfer directly into your bank or building society account. There are a number of things that you as a student can do to make sure that you receive your payment promptly.

It is best to give your full name as it appears on your birth certificate or passport in all dealings with the Education Authority or CAFRE.

2.2 Childcare Grant

You can claim a childcare grant if you are using registered or approved childcare. Your childcare provider must be registered or approved by the Health and Social Care Trust, or an out-of-school club who provide childcare provision for up to four hours per day, and more than five days a year, which is available either before or after school and during school holidays. You could receive up to £65 per week for one child, and up to £110 per week for two or more children. How much you get depends on your income and that of your dependants (including your spouse/partner).

You **will not be eligible** for the Childcare Grant if the childcare is provided by a registered or approved childcare provider who is:

- Your partner
- A relative of the child and providing care in the child's own home
- A relative of the child providing care away from the child's own home and is only caring for children he or she is related to.

A relative of the child means a parent, grandparent, aunt, uncle, brother or sister related by blood or marriage, or living arrangements.

You can claim for childcare costs during:

- Term time;
- Christmas and Easter holidays if your childminder charges you;
- If you are on a two year course and need help with childcare costs for the summer holidays between year one and year two.
- The grant does not cover private study time.

NB: If your childcare provider requires you to use the childcare facility for a minimum of 2 days per week and your course runs for 1 day a week, you will only receive help with childcare costs for the days you attend the course.

What you Need to Supply

We will need the following information to process your claim:

- A childcare grant application CG2 - you can download this from the Forms and Guides section of the Education Authority website at: www.eani.org.uk/feapplication;
- Your child/children's original long version birth certificate(s);
- Your Inland Revenue Notification of Tax Credit for the year ended 5 April 2022 or your Annual review for the year ended 5 April 2021 or your Universal Credit notification;
- Your childminder's current certificate of registration.
- CAFRE need to verify the number of hours involved in your course.

How is this grant paid?

- The EA will pay the childcare provider directly;
- If your childcare costs are more than the grant covers you are responsible for the balance.

Will you have to repay this grant?

You will not have to repay this grant unless you withdraw from the course or give inaccurate information.

Note: If you work part-time you may already receive help with childcare costs through the Tax Credit system for the time you are at work. We will consider claims for additional childcare costs if they are incurred in connection with your part-time course.

2.3 Support for Students with Disabilities

If you have a disability such as a physical disability, a mental health difficulty, long term illness or a specific learning difficulty, you can apply for support. You should contact the CAFRE Student Support Officer who will talk to you and advise you on the support available. For further information on how to contact the Student Support Officer telephone 028 9442 6861.

3. When and how to apply for financial support

The steps below set out what you need to do.

New and current students

You should start thinking about applying for financial help as soon as you have applied for a place on a part-time further education course at CAFRE. You can download a form from www.eani.org.uk/feapplication or www.cafre.ac.uk.

If your course changes after you apply, contact the Education Authority straight away.

Complete your DAERA part-time Further Education Grant Application Form and return it to the Education Authority giving all the details and documentary evidence required, including verification of income. The Education Authority will determine whether or not you are eligible to be considered to receive help with course costs.

If you do not give income details you may not receive the money you are entitled to as the Education Authority will be unable to carry out an assessment.

Once the Education Authority has assessed your application they will send you a Financial Assessment Notification telling you how much support you can get.

If you want to receive your grant at the start of your course, you should submit the application form and supporting evidence before your course commences.

Make sure you have completed **ALL** sections and signed the form.

Late applications for financial support

If, after your course starts, you decide that you want to apply for financial help, you must apply no later than nine months after the first day of the academic year of your course.

For example, if your course starts on 1 September 2021, you have until 31 May 2022 to apply.

Applications received after this date will not be accepted.

If you do not receive an acknowledgement of your application within 2 weeks of posting please contact the Education Authority Further Grants Section on 028 8225 4546.

4. General information

4.1 What are the conditions for student support?

Support is subject to the following conditions:

- you attend the course regularly;
- your academic progress and conduct is satisfactory to CAFRE;
- you sign an undertaking to repay any amount overpaid, for whatever reason.

4.2 For how long will I get support?

Support will last as long as the minimum period normally required to complete the course for which it is made.

4.3 Can the support be terminated or suspended?

Yes - the Education Authority may suspend or terminate your support or withhold or reduce any payment normally due if the conditions for support are not fulfilled.

4.4 How do changes in my circumstances affect my Course Grant?

- You must inform the Education Authority immediately if you obtain any other scholarship or grant assistance for your course or acquire any source of income;
- The Education Authority must also be informed of any change in your financial or other circumstances which might affect the value of support you are entitled to.

4.5 Can I have my travelling expenses paid for?

The part-time course grant contains a contribution towards travel. The Education Authority does not reimburse travelling expenses incurred in attending course pre-admission interviews or to and from Campus during the course.

5. Extra help available

5.1 Hardship Fund

This may be available through CAFRE to provide help for students on lower income who may need extra financial support for their course and to stay in further education.

How do I apply?

If the Hardship Fund opens in 2021/22 application forms will be available from your Campus and should be returned to CAFRE when completed.

6. Part-time Course Grant

6.1 How you are assessed and paid

The Education Authority will use the information you provide in your application form to decide whether you can get financial help for part-time course costs.

6.2 Eligibility for financial support

To be eligible for help with your course costs you must meet certain conditions. The course you do must be a part-time course of further education at one of the CAFRE campuses and you must meet the personal eligibility criteria.

Personal eligibility

Your personal eligibility depends on:

- where you live (this is known as the residence requirement);

Residence

Normally, you must meet the following three requirements on the first day of the first academic year of your course. On that day you must:

- be 'ordinarily resident' in Northern Ireland; and
- have been 'ordinarily resident' in the United Kingdom, (UK) and Islands (i.e. Channel Islands or the Isle of Man) for three years immediately before the starting date of the course (not wholly or mainly for the purpose of receiving full time education); and
- have 'settled status' in the UK as described in the Immigration Act of 1971. This means there are no immigration restrictions on how long you can stay in the UK.

“Ordinarily resident” is defined as “habitual and normal residence from choice and for a settled purpose throughout the three-year period, apart from temporary or occasional absences”.

For EU, EEA and Swiss nationals, you must have settled or pre-settled status in the UK under the EU Settlement Scheme. This does not apply to ROI nationals meeting the 3 year residency requirement. The residence requirements are complicated and even if you do not meet the requirements set out above you may still be eligible for support. You should check with the Education Authority for information about your individual circumstances.

The Education Authority will decide whether you meet the 'ordinarily resident' requirement.

Course criteria

Qualifying part-time courses must:

- Be at least 1 academic year in duration and be completed in no longer than twice the time it would take to complete the full-time equivalent (if appropriate).
- Be a vocational qualification equivalent to GCSE, AS or A Level (level 2 or level 3 in the national qualifications framework).
- Be at least 8 hours per week in duration (this includes taught hours plus compulsory placement hours).

Refer to annex A for a list of qualifying courses.

Leaving your course or transferring to a new course

It is important to remember the rules about previous courses if you are thinking about leaving your course before it ends or transferring to a new course, as this could affect how much help you can get if you take another course in the future. So, it is very important if you want to transfer courses or withdraw from your course that you talk to your college and the Education Authority as soon as possible.

Repeat years

If you have unsuccessfully completed a year of the course and decide to repeat the year, you will not be eligible for any support unless medical or other mitigating circumstances contributed to the need to repeat the year. You will need to look into other ways of paying for your course. You should seek advice from the Education Authority.

6.3 How the Education Authority assess your grant

Parental income is not used in the assessment of support for part time students

Your entitlement depends on your own income and that of your spouse/partner (if applicable). If you want to apply for this financial support you will need to enclose evidence of your income with your application, your original birth certificate or passport - a photocopy is not acceptable. For documents relating to income you may send photocopies as long as all details are clear. If you do not give income details you may not receive the money you are entitled to as the EA will be unable to carry out an assessment.

Whose income do the Education Authority take into account?

Your own taxable income:

Taxable income is any income you receive on which you pay income tax.

What income do the Education Authority take into account for your spouse/partner?

- If your spouse/partner is in receipt of benefits the Education Authority will need verification of this from the Benefit Office;
- If they receive tax credits/universal credit they should send their most recent tax/universal credit notification;
- If they are employed the Education Authority take their total gross taxable income and will require their last monthly pay slip or their last 4 weekly pay slips;
- If they are self-employed or have income from property the Education Authority take the taxable profit - they will need their tax calculation from the Inland Revenue or a letter from their Accountant;
- If they are in receipt of pensions the Education Authority will need verification of the amount they currently receive from the Pension Branch or whoever pays their pension;
- An allowance of £2,000 will be deducted from income for the spouse, £2,000 deducted for the first child and £1,000 for each additional child in the family;
- An allowance will be deducted from income if your spouse/partner pays into a personal pension scheme that qualifies for tax relief.

Why are you processing my personal information?

- If you apply for a DAERA means tested course grant and childcare grant, we will ask for information about you, such as your name and address, date of birth, telephone contact, marital status, if you have dependants, income, bank account details, previous study. This is known as your personal data.
 - We will securely store and process personal data in order for us to ascertain your eligibility for grant and the level of grant payable to you.
 - We will ask for evidence of identity such as your original birth certificate, adoption certificate or passport.
 - We will ask for evidence of marital status, for example, a copy of marriage certificate or court order.
 - We will ask for evidence of income for yourself and spouse/partner if applicable, such as weekly or monthly pay slips, P60, P11, letter from accountant, income from property, pension, interest on investments, deductions and allowances against income eg superannuation contributions and other allowances.
 - We will ask for evidence of registered childcare provision and your childminder's current certification of registration if you are claiming the childcare allowance of the grant. We will also ask for your child/children's long version birth certificate and your notification of tax credit if applicable.

What categories of personal data are you processing?

- We will use all of your personal data to process your claim for a DAERA course grant and childcare grant if applicable.

Where do you get my personal data from?

- The personal data we process will be provided by you and your spouse/partners when you apply for a DAERA means tested grant for Further Education at CAFRE.

Do you share my personal data with anyone else?

- We will share your personal data with the Education Authority, as they are our data processor. The EA will receive your application form and will assess your application, check your eligibility and calculate your grant entitlement.
- Data sharing will be carried out using a safe file transfer process which uses a secure, encrypted electronic transfer system.
- The EA will process your data under a Service level Agreement with DAERA and will comply with all aspects of UK GDPR for the storage, security and processing of your personal data.
- We will share your personal data with CAFRE to seek confirmation of enrolment and attendance on your chosen course of Further Education. Data to be shared will include your name, address, DOB and course details.
- We may share your data with enforcement agencies for the prevention or detection of crime.

How is my personal data stored?

- The EA will store your application form and any documentation you supply, in order for your application to be processed in a filing system contained within a locked store. Access to the store is limited to student finance personnel.
- Details from your application form will be keyed into a secure computer system, designed to process and calculate the amount of grant payable to you.

Do you transfer my personal data to other countries?

- Your personal data will not be transferred overseas.

How long do you keep my personal data?

- We will retain your data for 7 years from your final payment date, the period required for audit of financial data to detect misappropriate use of public funds and/or fraud.
- Following this period your data will be destroyed by secure shredding for paper and electronic deletion for the computer stored data.

How do you use my personal data to make decisions about me?

- The EA will use your personal data to ascertain your eligibility for grant and the level of grant payable to you.
- Personal data is required to confirm your identity and confirm course details and financial data is required to calculate the amount of grant you may be entitled to.

What rights do I have?

- You have the right to obtain confirmation that your data is being processed, and access to your personal data.
- You are entitled to have personal data rectified if it is inaccurate or incomplete.
- You have a right to have personal data erased and to prevent processing, if you wish to withdraw your application at any stage.
- You have the right to 'block' or suppress processing of personal data, if you wish to withdraw your application at any stage.
- You have the right to data portability, in specific circumstances.
- You have the right to object to the processing, in specific circumstances.
- You have rights in relation to automated decision making and profiling.
